
Official partner – 1Password

https://www.1password.com/

We're proud to offer 1Password Teams for free to the open source community. This is part of our 1Password Teams for Open Source program.

> *We use open source software every day to build 1Password, and 1Password wouldn't exist without it. This program is our way of giving back. We're helping more than 250 projects to stay secure. A safe place to keep secrets like social media logins, code signing certificates and SSH keys. We'd love to support your project!*
